West Tampa Center for the Arts proudly presents **"dis/Order"** featuring the latest works of Tampa artists **Melissa Fair** and **George Byers** in WTCA's *Gallery 209*.

This exhibit aims to show the balance of two very poetic and profound artistic minds who approach their work in opposing yet visually blending and surprising styles.

Join us for a truly exciting evening of meeting the artists, great music, enticing appetizers, and donation bar, and the warm ambiance of our former cigar factory.

Free and open to the public but a donation of \$2.00 is greatly appreciated to continue the work of WTCA.
